

2016 Explanation of Player Rewards

Your Wildcard points are worth valuable credits towards Free Play, Food and much more. Playing with your card earns you extra Free Play and Food offers sent monthly through the mail - in addition to your Wildcard Club status benefits.

There are two way to earn rewards:

1. All Wildcard Club members are evaluated on a six month basis for points and rewards outlined in this brochure.
2. Additionally, free play offers are awarded each month based on the prior three month schedule not including the most recent month you played. The monthly offers are calculated on base points earned when you play with your card inserted in the machine or presented to the dealer for Poker and Table Games. Other factors such as how long you spend on the machines, your average wager and the denomination of your machine(s) (penny, nickel, quarter, dollar, etc.) go into the overall evaluation of your play.

Wildcard Club cards are the property of The Point Casino. Club benefits for discounts on food may apply up to parties of four. One cash and food offer may be redeemed at one time during the day from 8:00 AM to 4:00 AM. Promotion offers and certain benefits may not be combined and club memberships are non-transferable. Wildcard Club membership and rewards are subject to time limits and expiration dates.

Club discounts do not apply to alcohol, tobacco or gift shop consignment items. Ferry reimbursement is up to \$35 one way, per car of four. Cash advance and ATM Fee reimbursements are based on a minimum \$100 transaction. ATM Fee reimbursements qualify when the receipt and card are in a Platinum card holder's name.

The Point Casino reserves the right to adjust any point balances resulting from machine or reader malfunctions, operating errors or fraud. The Point Casino reserves the right to modify or cancel a program at any time. Wildcard Club account information may not be issued over the phone. Be sure and use your card every time you play so that we reward you over and above your Wildcard Club status.
