Frequently Asked Questions

How do I earn rewards?

It's easy! Simply insert your card into your favorite slot machine every time you play or present your card to Table Games dealers. Not only are you eligible for immediate rewards, but all players who qualify, will receive offers in the mail for even more rewards!

How are my mail offers determined?

It takes time to get your offers from our marketing team, to the printer and into your home. Therefore, your offers are often based on quarterly play. For example, your offers for January are based on your play from September- November. These offers are based on machine denomination, average wager and time played.

What can I redeem my points for?

The points you earn can be redeemed for bonus bucks, food bucks and gas. Visit the Wildcard Club for details.

How do I earn entry tickets for drawings?

Entry tickets for our casino promotions and cash giveaways can be picked up at the Wildcard Club. Earned entry tickets are available for select promotions. The points are not redeemed, just earned on your account and verified for each ticket. Generally, one free entry ticket is available during the day of the drawing or each day during the promotion period.

Can I use my Wildcard Club card toward food discounts?

Wildcard Club benefits for discounts on food may apply up to parties of four. Plus, qualified players enjoy complimentary food coupons through their mail offers. Discounts and coupons may not apply or be used on certain dining specials like 2 for 1 buffets. Restrictions may apply.
